

Vision Health

Healthy eyes and vision are important to your well-being.

Comprehensive eye exams allow your eye doctor to thoroughly analyze the health of your eyes using a combination of tests. Many eye and vision conditions present no obvious symptoms, which is why regular comprehensive eye exams are so important. The earlier an eye disease or condition is diagnosed, the more effective treatment is likely to be to help maintain clear, healthy vision.

DESCRIPTION	SERVICES	PLAN I COPAY	PLAN II COPAY
In-Network			
Routine vision exam to determine the need for corrective lenses	One routine vision exam per year; the benefit includes one refraction per year	\$0 copay	\$0 copay
Routine eye wear	\$100 maximum allowance per year for glasses or contacts		
Medicare-covered glaucoma screening	One test every year if you're at high risk (diabetic, family history, African American 50 or older, or hispanic 65 or older)	\$0 copay	\$0 copay
Medicare-covered diagnostic eye exam	Eye exam to diagnose and treat diseases and conditions of the eye; the benefit includes refraction	\$0 copay	\$0 copay
Medicare-covered eye wear	Eye wear (glasses or contact lenses) after cataract surgery with a maximum benefit amount not to exceed \$100	\$0 copay	\$0 copay

Out-of-pocket costs for this supplemental benefit do not apply to Maximum-Out-of-Pocket (MOOP).

You must submit a request for reimbursement for out-of-network services; members may be responsible for cost over the allowable rate when seeing an out-of-network provider.

Remember, even if your provider is in-network, your eyewear retailer may not be.

HealthTeam Advantage, a product of Care N' Care Insurance Company of North Carolina, Inc., is a Medicare Advantage organization with a Medicare contract. Enrollment in HealthTeam Advantage depends on contract renewal.
